
PLANNED SCHEDULE FOR FUTURE INSTALLATIONS (SB2-15-2)

HANS FRESE

18-FEB-03

INTRODUCTION

The original SILK proposal foresaw the installation of all eight SILK sites over a period of two years. In spite of the initial delays, this seems possible today.

CURRENT STATUS

Today, four SILK sites are operational (Tbilisi, Tashkent, Bishkek, and Dushanbe).

NEXT INSTALLATIONS

Yerevan and Baku will be installed next week. Documents for Almaty are under preparation putting the installation into the March timeframe

OPEN ISSUES

Ashgabad conditions are under discussion.
